

CALL FOR PAPERS

ICASCA 2021
Feb 11-12, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICASCA 2021 : International Conference on Animal Surgery and Clinical Anesthesiology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Surgery and Clinical Anesthesiology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Surgical Principles

Principles of Surgical Asepsis
Sterilization and Disinfection
