

CALL FOR PAPERS

ICFPSGAP 2021
Feb 11-12, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFPSGAP 2021 : International Conference on Fresh Produce Safety and Good Agricultural Practices is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Fresh Produce Safety and Good Agricultural Practices. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Fresh produce safety	Microbial contamination
The safety and quality of fresh fruits and vegetables	Food toxicology
Good agricultural practices	Supply chain
Soil and water	Cantaloupe
Organic and inorganic fertilizers	Leafy green
Animal exclusion and pest control	Listeria
Food safety	Salmonella
Foodborne pathogens	Food laws and regulation
