

CALL FOR PAPERS

ICFPTDA 2021
Feb 11-12, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFPTDA 2021 : International Conference on Forensic Pharmacology, Toxicology and Drug Analysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Forensic Pharmacology, Toxicology and Drug Analysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Forensic pharmacology
Pharmacokinetics and
pharmacodynamics
Forensic toxicology
Drug analysis

Drug abuse and teenager statistics
Central nervous system depressants
Stimulant drugs
Psychotropic drugs and
hallucinogenic drugs
