

# CALL FOR PAPERS

**ICFSDD 2021**  
**Feb 11-12, 2021**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFSDD 2021 : International Conference on Flight Simulator Development and Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Flight Simulator Development and Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Flight simulation  
Flight simulator development and design  
Flight simulation training systems

Simulation of flight control systems  
Simulation of aircraft navigation systems
