

# CALL FOR PAPERS

**ICNSEID 2021**  
**Feb 11-12, 2021**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNSEID 2021 : International Conference on Nutritional Support for Exercise-Induced Damage is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nutritional Support for Exercise-Induced Damage. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Exercise-induced muscle injury  
Nutritional support for  
exercise-induced injuries  
Exercise-induced injury to skeletal  
muscle  
Stretches and exercises for  
prevention and treatment  
Self-care treatment  
Mechanisms of exercise-induced  
muscle fibre injury  
Structural and mechanical basis of  
exercise-induced muscle injury

Exercise-induced muscle damage and  
adaptation  
Muscle damage and repair processes  
Clinical exercise physiology  
Physical activity  
Clinical exercise physiology and  
pharmacology  
Exercise testing and exercise  
prescription
