

# CALL FOR PAPERS

**ICPNSEE 2021**  
**Feb 11-12, 2021**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPNSEE 2021 : International Conference on Positive and Negative Sides of E-Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Positive and Negative Sides of E-Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

E-Education Issues  
E-Education Problems  
E-Education and Students  
E-Education and Teachers  
E-Education and Schools

E-Education and Children  
E-Education and Family  
Possible Problems About  
E-Education  
Solutions to E-Education Problems  
Positive and Negative Sides of  
E-Education
