

CALL FOR PAPERS

ICWA 2021
Feb 11-12, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWA 2021 : International Conference on Web Algorithms is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Web Algorithms. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Web search
Adversarial information retrieval
Privacy in web search
User and search modeling
Personalized search and ranking
Search quality evaluation
Search result ranking
Searching social and real-time content

Sponsored search and computational advertising
Sentiment analysis in social networks and blogs
Social networks
Recommender systems
Collaborative search
Crowd computing
Efficient analysis of web data
Graph mining
