

# CALL FOR PAPERS

**ICCI 2021**  
**Feb 08-09, 2021**  
**Lisbon, Portugal**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCI 2021 : International Conference on Consciousness and Intentionality is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Consciousness and Intentionality. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Intentionality  
The intentional relation  
Formal theories of intentionality  
Problems for forms, and the causal alternative  
The relational nature of singular thoughts  
Direct reference  
Intentional objects  
Intentional inexistence

Thinking about things that do not exist  
Direct versus indirect intentionality  
Intentional states  
Intentionality and reason  
Intentionality and intensionality  
Intentionality and consciousness  
Naturalizing intentionality  
Externalism and the explanatory role of intentionality
