

CALL FOR PAPERS

ICMHLHR 2021
Feb 08-09, 2021
Lisbon, Portugal

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMHLHR 2021 : International Conference on Mental Health Law and Human Rights is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mental Health Law and Human Rights. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mental health law
Promotion of mental health
Prevention of mental disorders
Access to basic mental health care
Mental health assessments and internationally accepted principles

Self-determination
Concerns and contradictions of mental health law
Compulsory community treatment
Convention on the rights of person with disabilities
Mental health and human rights
