

CALL FOR PAPERS

ICPSADR 2021
Feb 08-09, 2021
Lisbon, Portugal

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPSADR 2021 : International Conference on Patient Safety and Adverse Drug Reactions is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Patient Safety and Adverse Drug Reactions. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Adverse drug events
Drug-related side effects and
adverse reactions

Medication error and medicines'
management
Patient safety and health
