

# CALL FOR PAPERS

**ICTCRCT 2021**  
**Feb 08-09, 2021**  
**Lisbon, Portugal**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTCRCT 2021 : International Conference on Thyroid Cancer Risks, Causes and Treatments is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Thyroid Cancer Risks, Causes and Treatments. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Thyroid cancer and treatment  
Symptoms and causes of thyroid cancer  
Papillary, follicular and medullary thyroid cancer  
Metastasis and molecular pathways in thyroid cancer

Diagnosis and prevention of thyroid cancer  
Surgical and hormonal treatment for thyroid cancer  
Advances in thyroid cancer treatment  
Thyroid cancer drugs and chemotherapy
