

# CALL FOR PAPERS

**ICTPCVP 2021**  
**Feb 08-09, 2021**  
**Lisbon, Portugal**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTPCVP 2021 : International Conference on Taxonomy and Plant Conservation and Vascular Plants is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Taxonomy and Plant Conservation and Vascular Plants. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Plant taxonomy  
Phytogeography  
Plylogeny  
Vascular plants

Plant diversity  
Plant conservation  
Phylogeography  
Species distribution
