

CALL FOR PAPERS

ICTSI 2021
Feb 08-09, 2021
Lisbon, Portugal

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTSI 2021 : International Conference on Terrorism Studies and Intelligence is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Terrorism Studies and Intelligence. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Terrorism studies	Transnational crime
National security and terrorism	Terrorist attacks and violent crime events
Homeland security	Organized crime
Historical and contemporary perspectives on terrorism	Counterterrorism strategies
Domestic and international terrorist motivations	Constitutional and legal issues in counterterrorism
Modern terrorist organizational structures	Violence and religion
Case studies of actual events	Current and future threats of terrorism
National security policies and strategies	Governmental and non-governmental strategies
Developing creative antiterrorism strategies	Policy-makers, academic institutions, and business
Role of intelligence in supporting the security	Media and civic organizations
Importance of intelligence in combating terrorism
