

CALL FOR PAPERS

ICDLES 2021
Feb 15-16, 2021
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDLES 2021 : International Conference on Distance Learning and Education Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Distance Learning and Education Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Open and E-learning technological
issues
Open and E-learning domain
applications
Evaluation and standards

Distance Education and ethics
Open and E-learning curriculum
issues
Organization and management
