

# CALL FOR PAPERS

**ICAT 2021**  
**Feb 01-02, 2021**  
**Melbourne, Australia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAT 2021 : International Conference on Aptamer Technologies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Aptamer Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aptasensors  
Biosensors  
DNAzymes  
Phage display  
Peptide aptamers  
Riboswitches  
Food security

Tagless detection  
Electrochemical sensors  
Optical sensors  
PCR  
Environmental sensors  
Multiplexed assay  
Antimicrobial resistance
