

# CALL FOR PAPERS

**ICDWHMS 2021**  
**Feb 01-02, 2021**  
**Melbourne, Australia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDWHMS 2021 : International Conference on Drinking Water, Health and Medical Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Drinking Water, Health and Medical Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Drinking water  
Microbial pathogens  
Drinking water contaminants  
Water quality

Risk assessment  
Water security  
Water safety  
Emergency response
