

CALL FOR PAPERS

ICMPHHH 2021
Feb 01-02, 2021
Melbourne, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMPHHH 2021 : International Conference on Malnutrition, Public Health and Hidden Hunger is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Malnutrition, Public Health and Hidden Hunger. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Disease related/hospital
malnutrition
Micronutrient malnutrition/hidden
hunger
Childhood malnutrition
Impact on cognitive development

Impact on quality of life
Socioeconomic/financial
implications
Morbidity
Mortality
