

CALL FOR PAPERS

ICMRR 2021
Feb 01-02, 2021
Melbourne, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMRR 2021 : International Conference on Moral Reasoning and Rationality is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Moral Reasoning and Rationality. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Moral reasoning
Psychological theories of moral reasoning
Cognitive developmental approaches to morality
Emotions and morals
Deontic reasoning

Moral inconsistency
Rationality and reasoning
Moral judgment
Moral disengagement in social psychology
