

# CALL FOR PAPERS

**ICSTMICZM 2021**  
**Feb 01-02, 2021**  
**Melbourne, Australia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSTMICZM 2021 : International Conference on Sustainable Territorial Management and Integrated Coastal Zone Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sustainable Territorial Management and Integrated Coastal Zone Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sustainable development  
Territorial planning  
Land use-land cover  
Protected area  
Biodiversity

Maritime planning  
Integrated coastal zone management  
Socioeconomy  
Governance
