

# CALL FOR PAPERS

**ICHBLS 2021**  
**Feb 22-23, 2021**  
**Paris, France**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHBLS 2021 : International Conference on Human Behaviour, Learning and Sensitization is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Human Behaviour, Learning and Sensitization. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Behavioural sciences  
Psychology and psychobiology  
Psychological behaviourism  
Human and animal behavior  
Behaviour and learning  
Habituation  
Sensitization  
Classical conditioning  
Operant conditioning  
Behaviourism  
Behaviour analysis  
Scientific analysis of various  
dimensions of behavior  
Systematic analysis and  
investigation of human and other  
animal behavior

Active learning  
Passive learning  
Associative learning  
Meaningful learning  
Informal learning  
Formal learning  
Nonformal learning  
Behaviour chain  
Behaviour genetics  
Results of a period of learning  
Processing of stimuli  
Behavioral approaches  
Aversive stimuli
