

# CALL FOR PAPERS

**ICMS 2021**  
**Feb 22-23, 2021**  
**Paris, France**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMS 2021 : International Conference on Midwifery Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Midwifery Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Midwifery  
Women health  
Midwifery care  
Midwifery Areas of Practice  
Midwifery nurse practitioner  
education  
Midwifery online nursing

Midwifery nursing practice  
Midwifery skills  
Influence of drugs and general  
awareness on pregnancy
