

# CALL FOR PAPERS

**ICCTNR 2021**  
**Feb 18-19, 2021**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCTNR 2021 : International Conference on Current Trends in Neural Repair is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Current Trends in Neural Repair. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Neural Repair  
Neurorehabilitation basic research  
Clinical research  
Neurorehabilitation research  
methodology  
Pharmacology in  
neurorehabilitation  
Explanatory models in  
neurorehabilitation  
Vocational rehabilitation  
Transitional problems in  
neurorehabilitation  
Neuro rehabilitation principles and  
practice  
Biomechanics in rehabilitation  
Developmental neurorehabilitation  
Clinical and technical perspectives  
on neurorehabilitation  
Psychological and environmental  
rehabilitation

Ethical aspects during  
neurorehabilitation  
Neuropsychologic rehabilitation  
Early neurorehabilitation  
Pharmacology in  
Neurorehabilitation  
Long-term Rehabilitation  
Residential Rehab Treatment  
Approach  
Community based Rehabilitation  
Neurorestorative Therapy  
Neurological physiotherapy  
Musculoskeletal physiotherapy  
Exercise physiology  
Occupational therapy  
Remedial massage therapy
