

CALL FOR PAPERS

ICWWFF 2021
Mar 04-05, 2021
Rio de Janeiro, Brazil

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWWFF 2021 : International Conference on Women, Work and the Future of Feminism is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Women, Work and the Future of Feminism. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aspects of Feminism, Gender and the Working Class
Beyond Sexless Class and Classless Sex
