

CALL FOR PAPERS

ICID 2021
Mar 08-09, 2021
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICID 2021 : International Conference on Interior Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Interior Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Decoration engineering
Building decoration and interior design
Architecture, landscape and interior design
Acoustic consideration
Adaptive re-use and interior environments: contexts, aesthetics, functions
Behavioral factors: cultural, social, and economic sustainability
Building occupant and community member perception, performance, and health
Compact living
Conceptualization
Craft and fabrication: green materials, finishes, furnishings, and products
Design history and theory
Design modeling, processes, simulations and communication
Design paradigms

Design planning
Furniture design/set-up
Indoor comfort
Installations
Light, color and materials
Preservation and adaptive re-use: sustainability issues
Quality of life
Space efficiency
Spatial design
Sustainable interior design
Architectural interior and exterior decorations of performance spaces
Reflections of political power presented in theatrical performances
Ideological context of religious rituals and their spaces
