

CALL FOR PAPERS

ICCASP 2021
Mar 04-05, 2021
Barcelona, Spain

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCASP 2021 : International Conference on Cultural Anthropology and Sociological Perspectives is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cultural Anthropology and Sociological Perspectives. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cultural anthropology
Sociocultural transformation
Cultural variability
Causes, consequences and complexities of culture
Study of cultural variation among humans
Participant observations and fieldworks
