

CALL FOR PAPERS

ICNFFS 2021
Mar 04-05, 2021
Barcelona, Spain

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNFFS 2021 : International Conference on Nutraceuticals and Functional Food Supplements is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nutraceuticals and Functional Food Supplements. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Recent trends in nutraceutical research
Nutraceutical and functional food products
Functional foods
Nutraceutical ingredients
Nutraceutical and dietary supplement development
Dietary supplements
Nutrition supplements
Vitamin supplements
Muscle supplements
Weight supplements
