

# CALL FOR PAPERS

**ICELMA 2021**  
**Mar 22-23, 2021**  
**Dubai, UAE**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICELMA 2021 : International Conference on Educational Leadership and Management Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Educational Leadership and Management Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Educational leadership  
Historical development of the field  
educational leadership  
The teaching role vis-à-vis  
administrative function of leaders  
Factors for an effective and  
efficient school management  
Comparative educational leadership  
across the world  
Political pressure in school  
administration

Indigenous approaches and  
strategies of leading a globalized  
school  
The art and science of educational  
leadership  
Traits and characteristics of an  
educational manager  
Optimizing Web 2.0 in school  
administration  
Curricular and pedagogical  
leadership  
Relevance of traditional style of  
educational leadership
