

CALL FOR PAPERS

ICVMST 2021
Mar 22-23, 2021
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVMST 2021 : International Conference on Veterinary Medicine, Science and Technology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Veterinary Medicine, Science and Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal diseases research and treatment
Infectious diseases and zoonoses
Veterinary pathology
Food safety and food security

Veterinary epidemiology
Nutrition and metabolism of disease
Veterinary orthopaedics
Neurology
