

# CALL FOR PAPERS

**ICBMBA 2021**  
**Mar 25-26, 2021**  
**Madrid, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBMBA 2021 : International Conference on Bioceramic Materials for Biomedical Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Bioceramic Materials for Biomedical Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Bioceramics  
Advances in bioceramics  
Biological evaluation of bioceramic materials  
Applications  
Bioceramics for cancer therapy  
Bioceramics for dental application  
Bioceramics in tissue engineering

Bioceramic and bioglass materials  
Advanced ceramics in medical devices  
Bioceramics  
Bone and mineralized tissue  
Bioceramics in dentistry and orthopaedics  
3D printing of bioceramics  
Regenerative medicine
