

CALL FOR PAPERS

ICCMEHP 2021
Mar 11-12, 2021
Miami, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCMEHP 2021 : International Conference on Cases in Medical Ethics and Health Policies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cases in Medical Ethics and Health Policies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Genetic profiling and engineering
Stem cell and embryo research
Drug and medical research
Patient and volunteer rights and consent
Euthanasia and assisted suicide
Application of existing law and development of new legal codes
Conflict of law and ethics and changing scientific and social landscapes

Healthcare professional liability and insurance
Legal profession conduct and practice
Ethics committees and healthcare professional bodies
Financial and economic issues
Animal rights
Confidentiality and electronic patient records
Impact of business and financial interests
