

CALL FOR PAPERS

ICCELT 2021
Mar 29-30, 2021
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCELT 2021 : International Conference on Creative Education, Learning and Teaching is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Creative Education, Learning and Teaching. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Creative education and teaching
Innovative and creative training strategies
Future of formal schooling
Designing learning spaces
Pedagogical leadership
Philosophy of creativity
