

CALL FOR PAPERS

ICABWS 2021
Mar 22-23, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICABWS 2021 : International Conference on Animal Behaviour and Welfare Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Behaviour and Welfare Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Animal welfare science
- Animal welfare and sustainability
- Animal welfare and development
- Animal welfare and conservation
- Animal welfare and control
- Animal welfare standards
- Animal welfare
- Animals in society
- Animal behavior
- Behavioural medicine
- Human-animal relationships in production and companion animal species

- Cognition and emotion in animals
- Animal population health and welfare
- Disaster management
- Developing and validating welfare indices for assessing animal welfare
- Welfare implications of management practices in the dairy industry
- Patient management
