

CALL FOR PAPERS

ICACFD 2021
Mar 22-23, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICACFD 2021 : International Conference on Aerodynamics and Computational Fluid Dynamics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Aerodynamics and Computational Fluid Dynamics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aerodynamics and Fluid Mechanics
Computational Fluid Dynamics
Experimental Aerodynamics
Structural Dynamics and
Aeroelasticity
Aerospace Structures and Materials
Aircraft Systems and Avionics
Flight Dynamics and Control
Aircraft Performance
Combustion and Propulsion
Turbomachinery
Wind Engineering
Air Vehicle Flight Testing

Aeroacoustics
Near-Earth Space Physics
Spacecraft Technologies
UAV/MAV Design and Technologies
Aircraft Design and Systems
Integration
Spacecraft Development and Flight
Operations
Ground and Space Antenna
Technologies and Systems
Aircraft Maintenance and
Reliability
Aerospace Engineering Education
Student Design Competition
Presentation
Mission Design for Spacecraft
Formations
Aerospace Information Systems and
Cyber Security
