

CALL FOR PAPERS

ICAVPB 2021
Mar 22-23, 2021
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAVPB 2021 : International Conference on Advances in Veterinary Pathology and Bacteriology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advances in Veterinary Pathology and Bacteriology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Pathology of infections
Molecular pathology
Clinical pathology
Veterinary pathology
Advancements in diagnostic pathology
Bacterial pathogenesis
Plant bacteriology
Veterinary bacteriology
Bacterial identification
Bacterial diagnosis

Infectious diseases
Microbial diagnosis
Molecular applications
Treatment and prevention
Chemical microbiology
Microbial metabolism
Microbial genetics
Microbial assay
Chemical biology
