

CALL FOR PAPERS

ICCI 2021
Mar 04-05, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCI 2021 : International Conference on Clinical Informatics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Clinical Informatics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nutrition Informatics
Clinical Data Warehouses
Clinical Data Warehouses
Clinical Informatics Factors

Clinical Research Informatics
Medical Health Informatics
Clinical Informatics Applications
