

# CALL FOR PAPERS

**ICAETSAFGS 2021**  
**Mar 29-30, 2021**  
**Singapore, SG**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAETSAFGS 2021 : International Conference on Adaptive Educational Technology Systems and Adaptive Feedback Generation Systems is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Adaptive Educational Technology Systems and Adaptive Feedback Generation Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Inquiry-based systems  
Learning analytics  
Automated question generation  
Sense-making & the human computer interface  
Adaptive dialogue systems

Adaptive assessment systems  
Adaptive feedback generation systems  
Adaptive modelling techniques  
Adaptive MOOC
