

CALL FOR PAPERS

ICDGTSEGI 2021
Mar 29-30, 2021
Singapore, SG

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDGTSEGI 2021 : International Conference on Deployment of Green Technologies for Sustainable Environment and Green Infrastructure is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Deployment of Green Technologies for Sustainable Environment and Green Infrastructure. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Green agriculture
Green tourism
Green building
Green transportation
Green energy

Green infrastructure (engineered
natural systems)
Advanced water treatment
Smart technology
Waste biorefining for circular
bioeconomy
Food, water, energy and land nexus
