

# CALL FOR PAPERS

**ICMESS 2021**  
**Mar 29-30, 2021**  
**Singapore, SG**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMESS 2021 : International Conference on Multisport Events and Social Sustainability is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Multisport Events and Social Sustainability. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Multisport events  
Global multi-sports events  
Multisport events and social sustainability  
Multi-sport events and long-term tourism impacts  
Olympic games  
Paralympic games  
Special Olympics

International multi-sport competitions  
Worldwide events  
Regional events  
National events  
Disability  
Injury surveillance in multi-sport events  
The economic impact of multi-sport events
