

CALL FOR PAPERS

ICCEUP 2021
Mar 29-30, 2021
Sydney, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCEUP 2021 : International Conference on Civil Engineering and Urban Planning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Civil Engineering and Urban Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Municipal regeneration and sustainability
General scope of urban regeneration
Planning, development and management
The community and the city
Urban strategies
Architectural issues
Cultural heritage issues
Landscape planning and design
Urbanization of rural areas

Environmental management
Sustainable energy and the city
Transportation
Waste management and Intelligent environments
Quality of life
Infrastructures and social services
Sustainable urban tourism
Planning for risk and natural hazards
Case studies
