

CALL FOR PAPERS

ICABVS 2021
Mar 25-26, 2021
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICABVS 2021 : International Conference on Animal Biotechnology and Veterinary Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Biotechnology and Veterinary Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Veterinary Science
Animal Nutrition and Diseases
Recent Developments
Veterinary Medicine
Animal Breeding and Genetics
Animal Biotechnology

Animal Models and Testing
Artificial insemination
Embryo transfer
Fertilization
Animal breeding programs
