

# CALL FOR PAPERS

**ICAGCG 2021**  
**Mar 25-26, 2021**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAGCG 2021 : International Conference on Animal Gastroenterology and Comparative Gastroenterology is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Gastroenterology and Comparative Gastroenterology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Veterinary gastroenterology  
Animal gastroenterology  
Small animal gastroenterology  
Gastrointestinal diseases in animals  
Intestinal tumors in dogs and cats  
Gastrointestinal parasites

Chronic enteropathy in cats  
Canine pancreatitis  
Feline esophagitis  
Canine protein-losing enteropathies  
Chronic gastrointestinal signs in cats  
Gastrointestinal endoscopy in dogs
