

# CALL FOR PAPERS

**ICANHI 2021**  
**Apr 05-06, 2021**  
**Cancun, Mexico**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICANHI 2021 : International Conference on Adult Nursing and Health Innovations is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Adult Nursing and Health Innovations. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- |   |  |
|---|--|
| Adult health nursing                        | Moral and ethical positions and actions in nursing |
