

CALL FOR PAPERS

ICCGM 2021
Apr 29-30, 2021
Jerusalem, Israel

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCGM 2021 : International Conference on Community and Group Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Community and Group Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
