

CALL FOR PAPERS

ICDT 2021
Apr 29-30, 2021
Jerusalem, Israel

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDT 2021 : International Conference on Decision Theory is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Decision Theory. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Decision theory
Fundamentals of decision theory
Making real decisions
Human behavior
theory of choice
normative decision theory
descriptive decision theory
game theory

decision support systems
decision-making agents
Choice under uncertainty
Intertemporal choice
Interaction of decision makers
Complex decisions
Alternatives of decision theory
