

CALL FOR PAPERS

ICIMMW 2021
Apr 29-30, 2021
Jerusalem, Israel

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIMMW 2021 : International Conference on Information Management in Modern World is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Information Management in Modern World. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Digital economy and industry 4.0
Innovation, new business models and strategies
Crisis management
Social media
e-Health

Digital single market innovation
Cyber security
Performance management
Smart Systems
everywhere—intelligence,
autonomy, technology, and society
Leadership development, innovation
behavior, and creativity
