

# CALL FOR PAPERS

**ICSQCNSF 2021**  
**Apr 29-30, 2021**  
**Jerusalem, Israel**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSQCNSF 2021 : International Conference on Soil Quality, Crop Nutrition and Soil Fertility is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Soil Quality, Crop Nutrition and Soil Fertility. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Assessing and monitoring soil  
quality  
Soil quality and agricultural  
sustainability  
Sustainable management of soil  
organic matter  
Conservation agriculture

Organic farming  
Nutrient cycling and nutrient  
availability  
Soil quality and crop performance
