

# CALL FOR PAPERS

**ICTES 2021**  
**Apr 29-30, 2021**  
**Jerusalem, Israel**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTES 2021 : International Conference on Transformative Education Studies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Transformative Education Studies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Transformative education  
Transformative education research  
and sustainable development  
Transformative education in the  
21st century  
Transformative education theory and  
practice  
Transformative thinking  
Adult education and lifelong  
learning  
Change, transition, and  
transformation

Management and corporate education
