

# CALL FOR PAPERS

**ICWHIR 2021**  
**Apr 29-30, 2021**  
**Jerusalem, Israel**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWHIR 2021 : International Conference on World History and International Relations is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of World History and International Relations. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Prehistory  
Early humans  
Rise of civilization  
Ancient history  
Cradles of civilization
