

# CALL FOR PAPERS

**ICEEB 2021**  
**Apr 22-23, 2021**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEB 2021 : International Conference on Ecosystem Ecology and Biodiversity is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Ecosystem Ecology and Biodiversity. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Ecosystem ecology  
Fundamental laws in ecology  
Ecology of ecosystems  
Ecological network analysis  
Ecological complexity  
Hierarchy theory in ecology  
Freshwater and marine ecosystems

Terrestrial ecosystems  
Decomposition and nutrient cycling  
Trophic dynamics  
Ecology and the abiotic environment  
Ecological organization  
Ecology of individual organisms  
Ecology of populations
