

# CALL FOR PAPERS

**ICESSDG 2021**  
**Apr 22-23, 2021**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICESSDG 2021 : International Conference on Environmental Security and Sustainable Development Goals is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Environmental Security and Sustainable Development Goals. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Environment  
Climate change  
Global warming  
Sustainability

Sustainable development goals  
Energy  
Renewable energy  
Low energy technologies
